German Recipe and Techniques

perrier

**100% NATURAL
100% PLEASURE
100% FRENCH**

PERRIER carbonated natural mineral water sparkles like no other – with its unique taste, achingly refreshing bubbles, and balanced mineral content, it has been delighting generations of beverage seekers for over 160 years. Bottled in Vergèze in the South of France, PERRIER is filtered up through layers of limestone deep underground. Its crisp, prickly carbonation and subtle mineral quality with the slightest hint of bitterness make it a must-have ingredient in an array of cocktails, mocktails and drinks. It's the ideal at-home or on-the-go beverage, making it a refreshing choice for every day.
